

SPRINGFIELD PICS HOCKEY, INC.

Dear Springfield Pics Parent:

Congratulation on your son/daughter deserving selection as a member of one of the 2009/2010 Springfield Pics Hockey teams.

For over twenty years, the Springfield Pics have provided an opportunity for skilled players to participate in an intense and high level of play in Metropolitan Boston Hockey League, the North American Amateur Hockey Association, USA Hockey games, tournaments and now the **Eastern Hockey Federation**. The cost of membership and association in these organizations, along with seven months of practices and games, is very high – approximately thirty-five thousand (\$35,000) dollars per team.

If a member of a team is delinquent in paying his or her pro-rata share of the assessed budget, the team – and the organization—cannot meet their financial obligations. Additionally, a player who is selected and who agrees to play for the Springfield Pics but then withdraws before or during the season creates and unanticipated financial burden on the remaining team members and makes it impossible for another youngster to participate in the program.

In order to meet their financial obligations, teams must receive required payments from parents on time. Further, players who commit but leave the Springfield Pics must meet their agreed to monetary responsibilities unless they receive express, written exemption from the President of the Organization. Therefore, all Springfield Pic Parents are required to complete the following **Financial Commitment Statement** prior to their son or daughter being officially placed on a team roster.

I am proud to welcome returning and new players to the 2009/2010 Springfield Pics, and look forward to the great season ahead—on and off the ice.

Sincerely,
Brian Collins, Director
